Dear Mr. Ghiz:

Re: JCA Community Centre Project

This is a follow up to the discussion I had with Minister Copps at President Mandella's State Dinner regarding government financial assistance for the above noted project. As you may recall the Minister introduced us and indicated to you that we should contact each other.

I was unsuccessful in contacting you by phone so I am writing to let you know that we are still looking for financial help for this worthwhile project. Our fundraising activities to date have raised \$230,000 towards our goal of \$886,000 which is the total cost of the renovations.

I am enclosing for your perusal our "Case for Support" document. Our entire community is watching with eagerness to see what kind of support your government will give us.

Thanking you for your attention in this matter.

Yours truly,
Jamaican Canadian Association
